ABOUT THE PROGRAM:

In today's worldwide competitive environment, intellectual property has placed itself on a pedestal in the context of educational and research growth and is becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of success, fostering invention and innovation. The increasing significance of intellectual property rights is forcing organizations to actively manage their IPR as a key driver for building and sustaining their competitive advantage and achieving superior performance. So, in order to spread awareness about IPR & to implement the objectives of Nation IPR policy under national intellectual property awareness mission INMPG, college is conducting this awareness programme.

OBJECTIVES OF THE PROGRAMME:

- ◆ To create an understanding of the importance of IPR.
- ◆ To provide an understanding of the concept of copyright, trademark, patent, etc.
- ◆ To create an understanding of importance and scope of IPR in Academic Research.
- ◆ To encourage faculties to file IP for their research, Inventions and Innovative projects.
