On 23 November 2020 a one-day seminar was organized in Ram Lall Hall of Ismail National Mahila P.G. College MRT. The topic of seminar was 'Intellectual Property Right and Higher Education in India. Seminar was started with lighting lamp and worshipping Goddess Saraswati Ji by keynote speakers and Dr Parul Rastogi, Dr Mamta Singh and Dr Mani Bharadwaj and Chief Proctor Dr Huma Masood. Dr Sarika Sharma introduced all the three key note speakers and welcomed by giving them bouquet.

Session I-

After that, seminar organizer Dr Sarika Sharma explained intellectual property right and its importance for teachers and students. She said intellectual property allows people to own their creativity and innovation in the same way that they can own physical property. It is balance between the creator's ownership and controlling over her/his work with public access.

Dr Parul Rastogi elaborated that IPR are legal rights aimed at protecting the creations of the intellect, such as inventions, the appearance of products, literary artistic and scientific works and signs among others.

Dr Mamta Singh Head Department of Economics threw light on Trademark. Trademark is a size capable of distinguishing the goods or services of one enterprise from those of other enterprises. Trademark date back to ancient times when artisans used to put their signature or mark on their products.

Dr Mani Bharadwaj Head Department of Commerce elucidated expansion of IPR in the digital world. She said that the protection of IPR became more important along with the expansion of world-wide information technology and digital networking in the recent years, with the tangible property bases. The rapid growth of intangible property and expansion of digital platforms providing speedy exchange of knowledge and information across the world.

Session II-

This session was technical session, in which Dr Sarika Sharma asked to Dr Parul Rastogi -why literate person are also unaware about IPR? Dr Parul Rastogi satisfied with appropriate reply. Two students Anshika B.A. I year and Himani B.A. II year asked questions to our key note speakers. Anshika asked to Dr Mamta Singh, can we get trademark for products of small-scale company? Dr Mamta Singh cleared his query with example. Himani student asked to Dr Mani that producers those are not so techno savvy how can apply for

registration and acknowledge its rules and regulations. Dr Mani answered properly and satisfied her quest.

College Chief Proctor Dr Huma Masood also described importance of IPR in the professional life of teachers as well as in student's life. She also thanks to key note speakers Dr Parul Rastogi, Dr Mamta Singh, and Dr Mani Bharadwaj for their precious views. Principal Dr Neelima Gupta was busy so could not attend this event. At last, Dr Sarika Sharma seminar organiser conclude the programme with national anthem and thanks to all Guest Speakers, college faculty and the students. She gave honour with certificates of participation for teachers and students. All the students gave feedback saying this seminar was very relevant and informative too.
