B.Ed. Department, Ismail National Mahila P.G. College, Meerut

Resource Speaker:

Prof. Kapil Kumar

Programme Co-ordinator:

Dr. Shazia

Participants:

B. Ed. Students

Objective of the Workshop:

The objective of the workshop on "ICT Skills for B.Ed. Students" is to equip participants with essential ICT skills required in the field of education.

Overview of the Workshop:

This workshop focuses on teaching B.Ed. students and educator's vital ICT skills. It equips participants with the needed abilities and know-how to seamlessly incorporate technology in their teaching. The workshop combines talks, hands-on tasks, and practical exercises to teach participants how to utilize diverse ICT tools for improved teaching and student learning results.

Ismail National Mahila P.G. College's B.Ed. Department arranged a 7-day workshop on ICT-Integrated Teaching, held from **April 6th to April 15th, 2023**. The workshop featured specially crafted sessions like Inaugural, Induction, Feedback, and Valedictory sessions. Each day included a focused session on a specific ICT skill. Here's an overview of the sessions:

Introduction:

The B.Ed. Department of Ismail National Mahila P.G. College successfully organized a comprehensive "ICT Integrated Teaching Workshop" from 6th April to 12th April 2023. The workshop aimed to equip B.Ed. students with the essential skills needed to effectively integrate Information and Communication Technology (ICT) into their teaching practices. This report elaborates on the activities, insights, and outcomes of each day during the workshop.

Day 1: Introduction to ICT and Its Importance in Education

The workshop commenced with an insightful inaugural ceremony, marked by the lighting of the lamp and an address by Prof. Kapil Kumar, the resource speaker. Dr. Shazia, the Programme Co-ordinator, emphasized the significance of incorporating ICT into modern education. Prof. Kapil Kumar's keynote speech emphasized the vital role of ICT in revolutionizing teaching methodologies. Participants were introduced to the basics of ICT and its immense importance in enhancing the teaching and learning process. Prof. Kapil Kumar stressed the need for educators to adapt to digital trends for effective knowledge dissemination, emphasizing the workshop's role in this transformation.

Day 2: Basic Computer Skills for Teachers

On the second day, participants learned about practical aspects with basic computer skills tailored for educators. Prof. Kapil Kumar guided attendees through the intricacies of file management, equipping them with essential skills for organizing digital resources. The session included hands-on activities such as creating folders, renaming files, and exploring the operating system's features. He also told about the different operating systems. These skills were designed to empower educators with the ability to efficiently manage and access their teaching materials, enhancing their digital proficiency.

Day 3: Introduction to MS Word

The third day centered on introducing Microsoft Word as a powerful tool for educators. Prof. Kapil Kumar guided participants in creating, formatting, and editing documents. Attendees gained insights into text

alignment, paragraph formatting, and document structuring. Attendees also learned the differences in pdf and word, and how to create a word file, and save it as a pdf. Practical exercises empowered participants to craft engaging educational materials using various formatting techniques, enabling them to create impactful content for their students.

Day 4: Introduction to MS PowerPoint

Participants embraced visual communication on the fourth day through an introduction to Microsoft PowerPoint. Prof. Kapil Kumar navigated them through creating captivating presentations enriched with multimedia elements. Attendees learned to structure slides, add images, and incorporate animations. They also learned about how to teach a topic using the Microsoft PowerPoint software. The practical approach to designing interactive presentations aimed to elevate educators' engagement levels in the classroom while fostering student comprehension, ensuring dynamic and effective teaching practices.

Day 5: Introduction to MS Excel

Day five focused on Microsoft Excel's role in education. Prof. Kapil Kumar first told about the importance and the vast use of Microsoft Excel. He then demystified spreadsheet creation, guiding participants through formulas, functions, and data organization. Attendees learned to utilize Excel for basic calculations and data manipulation. Prof. Kapil Kumar also told about the different problems which can be solved using Excel. This session's goal was to equip educators with a versatile tool for data analysis and presentation, enhancing their pedagogical methods and data-driven decision-making skills.

Day 6: Internet and its Applications in Education

The sixth day offered a journey into the world of the internet and its educational applications. Prof. Kapil Kumar emphasized the importance of leveraging web browsers and search engines for effective teaching. Attendees learned how to navigate the internet safely, search for educational resources, and evaluate online content for credibility. This session aimed to foster digital literacy among educators, empowering them to harness online resources for enhanced learning experiences, ensuring

that they can provide students with a reliable and enriching online educational experience.

Day 7: Multimedia Tools and Educational Applications

The workshop's final day explored the realm of multimedia tools and e-learning applications. Prof. Kapil Kumar introduced participants to platforms like Google Classroom and online teaching tools such as Google Forms. Attendees delved into the practical aspects of using these tools to create interactive assignments, quizzes, and lessons. The session aimed to equip educators with the skills needed for modern digital classrooms, enhancing student engagement and fostering independent learning, thereby ensuring educators are prepared to create dynamic, technology-driven learning environments.

Valedictory Function:

The workshop concluded with a heartening valedictory function, marked by appreciations and reflections. Dr. Shazia highlighted the outcomes of the workshop, underlining the participants' positive feedback on the immersive learning experience. Prof. Kapil Kumar applauded the enthusiasm and commitment of the attendees in adopting ICT tools for enriching education. Certificates were distributed to participants, acknowledging their active engagement and dedication throughout the workshop, providing them with tangible recognition of their newfound digital teaching skills.

Conclusion:

The "ICT Integrated Teaching Workshop 2023" served as a dynamic platform for B.Ed. students to acquire and apply ICT skills in their educational journey. The engaging sessions led by Prof. Kapil Kumar empowered participants to embrace technology seamlessly, enhancing their teaching effectiveness and student engagement. The workshop's impact resonates in the participants' newfound proficiency in using ICT tools to create stimulating and effective learning environments. This event reaffirms the commitment of Ismail National Mahila P.G. College to equip educators with the skills required for modern pedagogy in the digital age, ensuring that educators are well-prepared to navigate the ever-evolving landscape of educational technology.
