Day- 7, 15/January/2020

Resource Person: Dr. Vivek Tyagi

Session- I & II

In this session, Dr. Vivek Tyagi urged to use animations and sound effects sparingly. Animation can help make a PowerPoint presentation more dynamic, and help make information more memorable. The most common types of animation effects include entrances and exits. Topics include:

- Create presentations from scratch or a template.
- Add text, images, art, and videos.
- Select a professional design with PowerPoint Designer.
- Add transitions, animations, and motion.
- Save to One Drive, to get to your presentations from your computer, tablet, or phone.

Day 08, 16/January/2020

Resource Person: Dr. Vivek Tyagi

Session- I & II

This session was started by Dr. Vivek with the topic Understanding open educational resources. He started with the interaction of the participants about the ICT skills learned so far from the training programme and discussed about various Open Educational Resources(OER) for learning, teaching and professional development.
